WORK EXPERIENCE

SOFTWARE ENGINEER INTERNSHIP (Jul - Aug 2021)
Nagarro

I have worked in collaboration with a team to create a web app. I was responsible for :
• developing and implementing user interface components using React.js concepts
• troubleshooting interface software and debugging application codes
• meeting with the development team to discuss user interface ideas and applications.

PHOTO RETOUCHER (2013 – 2019)
Freelance

I communicated online with clients, to establish their requirements and deadlines for photos.
I was responsible for retouching photos using Adobe Photoshop and Lightroom and promoting my services online.
This experience helped me to develop my communication skills, attention to detail, coordinating several tasks at the same time, project management and meeting deadlines.
